Sir:

Applicants are in receipt of the Notice of Drawing Inconsistency with Specification mailed July 19, 2006 in the above-identified application, which indicates that the formal drawings filed on February 28, 2002, fail to include originally-filed drawings 2B and 3.

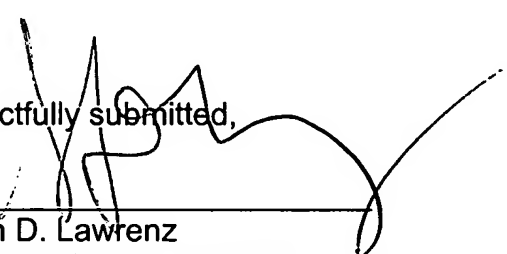

While applicants' file copy of the set of formal drawings submitted on February 19, 2002 is complete and contains Figures 2B and 3, these figures do not appear in the version of the formal drawings in the image file wrapper on PAIR.

In response to this notice, applicants enclose a replacement set of drawings, Figures 1-27B (60 sheets). Figures 2B and 3 are included. As Figures 2B and 3 were originally filed, now presenting formal versions of them does not add new matter.

Should anything further be required, please contact the undersigned. Applicants believe no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-0665, under Order No. 342818027US from which the undersigned is authorized to draw.

Dated: 8/8/06

Respectfully submitted,
